

1745 Stoneboat

The mature and established community of Convent Glen presents you with this beautiful Semi-Detached home on a large pie shaped lot, complete with mature trees, above ground pool and deck. This home has 3 bedrooms, 2 bathrooms, a large galley kitchen with an eat-in area just before the bay window. Hardwood floors on the main and upper levels, as well as the wood burning fireplace are creature comforts you will wonder how you ever lived without!

Imagine How Good Life Could Be!

The home has quite a wide layout, with large halls and stairwell that give you a greater sense of freedom to move about. The bedrooms upstairs are large and functional, and the lower level is also fully finished for added functional space. The rear yard is perfect for entertaining, with it's private deck, above ground pool and it's great deal of space to enjoy.
